Dear Dr. Hashim:

I wish to thank you, the Scientific Director and CTR's staff for your generous contribution to help defray the cost of the symposium entitled "Pathogenesis of Multiple Sclerosis" at the American Society for Neurochemistry Meeting which will be held March 5-9, 1995 in Santa Monica, California. I assure you, the $500 will not be used to reimburse expenses from the industrial sector. Once again, thank you for your support.

Sincerely,

Bruce D. Trapp, Ph.D
